All recordings for the Honors Recitals should be sent to Will Cosby. You should make a CD or cassette recording. Recordings can be made **before** the festival, but the personnel on the recording must be the same that appeared at the festival. **With the festival being fairly early this year, it is HIGHLY ENCOURAGED that students make their recordings ahead of time. Beginning this year submission recordings will no longer be returned.** Please plan accordingly for this change.

Recording Submission Deadline: All recordings must be **postmarked no later than Friday February 9th or Hand delivered by 8:00 pm Monday February 12th.**
