**All recordings for the Honors Recitals will be submitted electronically this year. Submission information may be found on the WVMEA website.** Recordings can be made **before** the festival, but the personnel on the recording must be the same that appeared at the festival. **All recordings must be in MP3 format due to file size restrictions on the submission website. It is HIGHLY ENCOURAGED that students make their recordings ahead of time.**

**Recording Submission Deadline: All recordings must be electronically submitted no later than Tuesday February 12<sup>th</sup>.** Absolutely no late submissions will be accepted.
