Google Classroom Code

th337y

** you will need to use a non-academic google account to access this classroom*

G Suite Overview

- G Suite for Education is an email account & suite of applications that are provided to both teachers & students at your academic institution
- Some popular G Suite apps: Gmail, YouTube, Calendar, Drive, Docs, Forms, Classroom, Sites, AND many more!
- All apps operate from the cloud, which means users can access over any device
- Unlimited storage (*that is correct*)
- Handy export tool (Take Out) to archive your data should you and/or students leave organization
